FLASHBACK

SEASON 2021 | **SEASON BEGINS**

Welcome

We recently headed down the highway to watch an entertaining match between GWS and St.Kilda played in wet conditions at Homebush.

Thanks to the GWS club for supplying everyone free orange rain ponchos.

More importantly the Maitland Saints senior teams commenced their campaigns with away matches against Warners Bay on the weekend.

There was plenty of action across all grades with the Women's team picking up a great win for the club.

Good luck to all Saints teams this weekend.

Cheers,

Grant Power

SEASON 2021 | **ON FIELD BEVERAGES**

In this edition INSIDE 50 catches up with Maitland Saints recently elected Senior President and club legend Colin Carroll.

What attracted you to AFL?

I was playing Baseball before AFL and needed something with a bit more energy.

What position do you play? And what best describes it?

Defensive midfielders / clutch forward. Inside50 understands that he works at the coalface, often with main clearance and as first possession player. Always found at defence stoppages and directing ball movement to spread ball out of own half.

Tell me about your fondest memory of playing AFL for the Maitland Saints?

Kicking the goal at Gosford in the last minute of the game turning our season around and basically learning us to a flag.

If you could change one rule of the game what would it be and why?

I wouldn't change anything I think it's pretty good as is.

Which of the following would you choose to if granted one wish? Strength, Speed or Height.

Well I'm already pretty fast and strong so I'd take height.

When you finally hang-up the boots, as a player, how would you like history to remember you?

I want to be remembered as one is tough :)
